

## Monroe Circuit Action reported

Court action reported in Judge Eddie C. Lovelace's courtroom on Wednesday, March 14 was :

### SENTENCED

Jeremy Blackburn (DOB 1982) was sentenced to 12 years on amended charges of criminal attempt to manufacture methamphetamine and persistent felony offender in the second degree with probation opposed. Additional charges of possession of a controlled substance (first degree/ methamphetamine), possession of drug paraphernalia, burglary in the third degree and persistent felony were dismissed, offender in the first degree, amended to second degree.

Dana Scott (DOB 1971) was sentenced to three years, pretrial diverted for five years on a charge of flagrant nonsupport. The diversion was conditioned with her paying her child support of \$258 plus an additional \$50 per month toward arrearages for a total of \$308 per month.

George M. Tooley (DOB 1943) was sentenced to three years, probated for three years on a charge of trafficking in a controlled substance (second degree, first offense, drug unspecified). An additional charge of trafficking in a controlled substance in the second degree was dismissed.

### REVOCATION HEARING

Sarah Botts (DOB 1983) had a motion hour and had her pretrial diversion revoked after she was given a sentence of five years on March 17, 2010 on a charge of possession of a controlled substance (first degree) and was given a pretrial diversion. One condition of her diversion was that she enter and successfully complete the Drug Court program but was terminated on Feb. 15, 2012 for "various violations" in the program. Final sentencing was set for April 18.

Brandon J. Wilborn (DOB 1981) had his pretrial diversion agreement revoked after he was sentenced to three years for a charge of receiving stolen property less than \$10,000. However, as part of his diversion, he was to pay restitution in the amount of \$245 within 120 days from the enter of the plea. He was also to remain drug and alcohol free. However, he acknowledged that he had been taking half a suboxone every day or so and when he was directed to do a drug test, he attempted to alter that test by introducing a syringe filled with another person's urine. Final sentencing was set for April 18.

### PLEA OF GUILTY

Brandon Daugherty (DOB 1986) pled guilty to a charge of complicity to theft of a controlled substance, first degree, to receive a five year sentence pretrial diverted for five years under supervision. An additional charge of complicity to burglary in the second degree was

dismissed.

Danny Grooms (DOB 1975) pled guilty to a charge of possession of a controlled substance (first degree) to receive a 1 1/2 year sentence, pretrial diverted for two years supervised. The defendant will be assessed by the Monroe County Drug Court program and will enter/complete that program if eligible otherwise shall be supervised by probation/parole. Additional charges of reckless driving and possession of marijuana were dismissed.

Drenda L. Hockley (DOB 1961) pled guilty to an amended charge of facilitation of manufacturing methamphetamine (from manufacturing methamphetamine) to receive a sentence of five years probated for five years. On the condition of probation, she was ordered to enter and successfully complete the Drug Court program. Additional charges of possession of a controlled substance (first degree, methamphetamine) and possession of drug paraphernalia were dismissed.

Shawn Russell (DOB 1978) pled guilty to a charge of wanton endangerment in the first degree and assault in the third degree to receive a five year sentence on each charge to run concurrently for a total of five years to serve. Probation was opposed by the Commonwealth with additional charges of two counts of wanton endangerment in the first degree and resisting arrest dismissed.

### TRIAL DATE

Kelly R. Casteel (DOB 1985) had a trial date of June 19 set on two counts of theft of a controlled substance (first offense and less than \$300) and burglary in the second degree.

Anna M. Scott (DOB 1987) had a trial date of June 22 set on charges of receiving goods, etc. by fraud \$10,000 or more within a six month period and forgery in the first degree.

Jesse "Jay" Simpson III (DOB 1985) had a trial date of June 22 set on a charge of theft by unlawful taking/disposition (farm equipment).

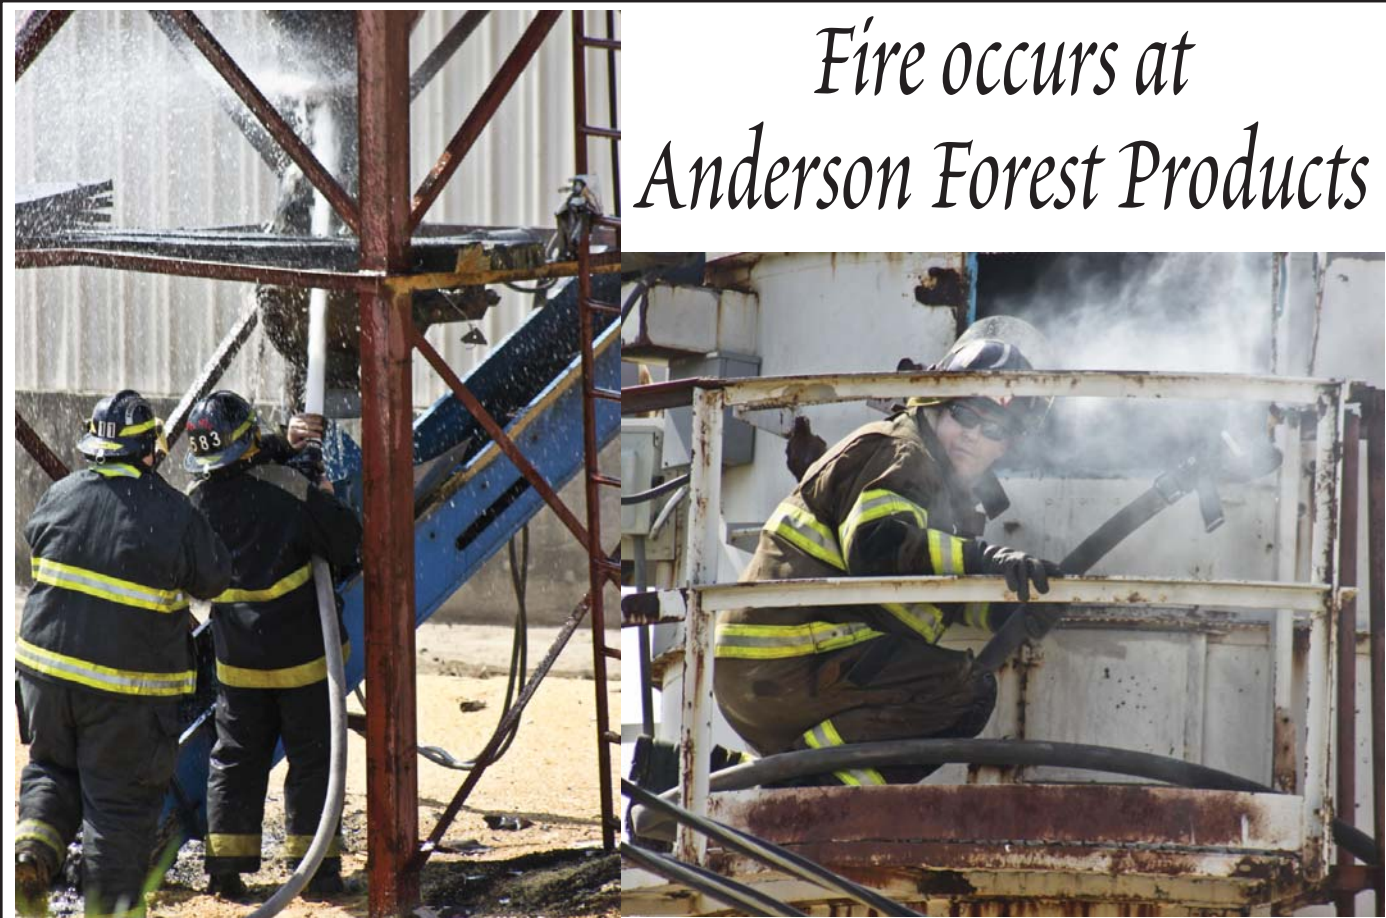

### PLEA NOT GUILTY

Sam Paul Beck (DOB 1944) was appointed a public defender and pled not guilty to a charge of rape (second degree, mentally incapacitated by intoxicating substance). Pretrial was set for May 16.

Dallas Bowles (DOB 1978) was appointed a public defender and pled not guilty to a charge of possession of a controlled substance (first offense) with pretrial set for May 16.

Matthew Todd Burkhead, Jr. (DOB unavailable) appeared with public defender Greg Berry and pled not guilty to charges of arson in the second degree, two counts of first degree criminal mischief and third degree criminal trespassing. Pretrial was set for May 16.

## Fire occurs at Anderson Forest Products

Firefighters from Monroe County Fire and Rescue, Tompkinsville Fire Department and Mud Lick Fire Department all responded to a fire in one of the sawdust bins on Wednesday, March 21 apparently after a bearing went out on the auger inside the bin catching the sawdust on fire. Firemen remained on the scene for several hours after the bin and a trailer used to move sawdust away from the bin re-ignited.

## Sewer grant received by City of Tompkinsville

Commissioners learned that Tompkinsville will be receiving a Community Development and Block Grant (CDBG) in the amount of \$500,000 to upgrade and improve the City's existing sewer system. Mayor Jeff Proffitt announced the news of the grant at last Thursday's regularly scheduled City Commission meeting, noting he had been advised that there was a very good chance of receiving an additional \$500,000 ARC grant to supplement the HUD administered CDBG grant.

Commissioners were advised that the paperwork for the grant had to be signed and returned by this Friday, March 30, and approved that action.

Commissioners also voted to hire current City Park Manager Red Schabacker as Property Violation Code Officer for the City at a rate of \$12.40 per hour. Schabacker's duties will include

working with property owners to clean up areas with abandoned lots and buildings, as well as working to collect back taxes on properties that have gone unpaid, in some instances for several years.

Extreme cases could result in the seizure and subsequent sale of property to recoup back taxes. Schabacker and Proffitt explained to the group that the actions taken through this office should help with issues such as stray animals and methamphetamine production as abandoned buildings and lots will be torn down or cleaned up.

The Commission also voted to begin repairs on the City's maintenance building, starting with taking down the chimney and repairing leaks in the roof. The first phase of repairs will cost approximately \$3,300

with further repairs to be completed in the future.

Commissioners also passed a non-sufficient funds resolution, establishing the NSF fee on bad checks written to the City at \$50. They agreed that there will be a "no exceptions" policy in effect and noted that customers have the option of paying their bills through automatic transfer from their bank.

In other business, Commissioners:

— Approved the COPS application grant application;

— Learned that Sherry Proffitt passed her Class II certification;

— Agreed to hire Danny Joe Stinson to an internship through Western Kentucky University that will give him approximately 16 hours per week at the Water and Sewer plants. Stinson's pay will be divided with the

City paying \$5 per hour and WKU paying \$5 per hour;

— Approved changes to the deed at the pump station limiting the City's costs and expenses;

— Approved a "road block" fundraiser for Project Prom to be held April 7;

— Approved the second reading and adoption of the Flood Prevention Ordinance;

— Approved the first reading of the Building Code Ordinance;

— Approved to advertise for a position as manager at the recycling plant;

— Approved a culvert installation and repair on Monroe Drive at a cost of \$1509;

— Approved to close a section of Emberton Street during High School and Middle School baseball games extending from the

## Community Days planned this weekend

This weekend will be the annual "Community Days" at the Monroe County Family Resource Center beginning Friday afternoon (March 30) and continuing until Sunday, April 1.

The "Community Days" celebration is in honor of the grand re-opening of the Center by the Monroe County Board of Education after they took over ownership and management in December.

"We are very excited to host the first Community Days celebration," Site Coordinator Mary Hinkle noted. "Opening the entire Center up for the general public to come and visit, tour the facility and enjoy the activities will be very exciting — and we hope that many of the local residents will take advantage of this opportunity."

The official ribbon cutting ceremonies were held on Wednesday, March 28 at 11 a.m. kicking off the special community event.

"As an incentive to those that visit with us this weekend, we

have a special gift certificate which can be redeemed for a free month's membership," Hinkle added.

The Center features an indoor competition size pool, weight room, racquetball court and tennis courts. In addition, rental rooms for parties and special events are also available with discounted rates for members.

Weekly exercise classes, such as Zumba, water aerobics, Stretch and Tone, Kickboxing and new for April "Walk away the Weight" are offered at low or no additional costs for members.

The Center also manages the recreational youth sports leagues with baseball and softball signups (for boys and girls ages 5-13) now underway with almost 150 children signed up. Basketball leagues just concluded with almost 100 children with soccer sign-ups expected to begin in three weeks. Gymnastics and cheer classes are also underway.

Hinkle also pointed out that any-

### Spring Sports Preview CONTINUES

This week, the Tompkinsville News continues its Spring Sports preview featuring the Monroe County High School Softball team. The teams' information and good luck ads from parents and local businesses can be found on page B4.

Tompkinsville Spring Cleanup is April 14, Heavy Garbage Pick-Up Week is April 16-20

Tompkinsville residents will have two opportunities to join a community-wide spring cleaning in April.

On Saturday, April 14, volunteers of all ages are invited to enjoy the great outdoors and serve their community during the Tompkinsville Spring Cleanup. Volunteers will receive a free T-shirt, while supplies last.

“The city is excited to offer this opportunity for our residents to work together to show pride in our community,” said Neva Lou Reagan, the city’s PRIDE Coordinator. “I look forward to seeing you there.”

Volunteer registration will begin at 8:30 a.m. at City Hall. There, volunteers will choose their location to clean, and they will receive their trash bags, safety vests and gloves. From 9 a.m. until 12 p.m., volunteers will pick up litter.

“If you don’t have a preference on the area you clean, then we will assign a location to you,” Reagan said. “We are

targeting the city streets and city park.”

The week of April 16-20, Tompkinsville residents can get rid of heavy trash items, such as refrigerators and stoves. The city’s Heavy Garbage Pick-Up Week will help residents tackle spring cleaning at home.

To schedule pick up of your heavy garbage between April 16 and April 20, please call City Hall at 487-6776.

These events are part of the annual PRIDE Spring Cleanup in 38 counties of southern and eastern Kentucky. The Spring Cleanup is organized by the nonprofit PRIDE organization, which promotes environmental cleanup and education in the region. Local governments organize the cleanup activities, and PRIDE provides supplies, volunteer T-shirts and funding assistance.

To learn more about the Tompkinsville Spring Cleanup, please contact Neva Lou Reagan at 487-6776 or [nevaloureagan@yahoo.com](mailto:nevaloureagan@yahoo.com).

STATE REPRESENTATIVE BART ROWLAND

LEGISLATION TO HELP VICTIMS OF TORNADOES HIGHLIGHTS BUSY NEXT TO LAST WEEK IN SESSION

With only days remaining in the 2012 Legislative Session, the pace of consideration and approval of bills picked up this past week.

At the top of the list of bills passed in the House is one that offers a tax rebate to those who were greatly impacted by recent tornadoes that struck the Commonwealth. House Bill 165 provides individuals and businesses in the 21 counties declared federal disaster areas from the February 29 and March 2 storms to receive a refund on the sales tax charged on building supplies.

Numerous homes and businesses in areas like Morgan, Magoffin, Kenton and Russell Counties were severely damaged during these storms, and we in the House recognize that the road to recovery can be long. I’m pleased that we came together in a bi-partisan manner and placed the lives of our people above partisanship in passing this legislation quickly.

The continued debate over whether to make pseudoephedrine available by prescription moved to the House Judiciary Committee this past week. Senate Bill 3, which would place limits on the amount of pseudoephedrine a person could purchase without a prescription, was passed by a vote of 10-4. Under the bill, if a person exceeded the monthly amount they could only purchase pseudoephedrine with a doctor’s prescription.

Advocates of Senate Bill 3 say the legislation is needed to combat the methamphetamine trade in rural parts of Kentucky that is tearing apart families and in some instances leading to deaths, while opponents argue the bill punishes law abiding citizens for the criminal actions of others and believe this bill is taking the eventual step of making pseudoephedrine a prescription only medication. It remains to be seen whether Senate Bill 3 will be voted on by the full House in the remaining days of the session.

Another bill that was debated but not voted upon was Senate Bill 1, which was discussed in the House Appropriations and Revenue Committee. Senate Bill 1 proposed to cap Kentucky’s debt service ratio at six percent. In other words Senate Bill 1 would make sure our debt service shall be no more than six percent of what we do take in.

Senate Bill 1 is good fiscal policy and a responsible way for Kentucky to reduce its debt. Passing a bill like this, along with tackling real comprehensive tax reform, is the path we need to take to make our Commonwealth more financially responsible to you, the taxpayer. Many of you have tightened your belts during these tough economic times, and there is no reason why we cannot follow your example.

We also took up three bills dealing with protecting life in the House Health and Welfare Committee. These bills dealt with informed consent, face to face consulting, and the so-called ‘heartbeat’ bill and sought to offer information and consultation for women seeking to have an abortion. Unfortunately, these bills were defeated along party lines, which is disappointing since advocating for the unborn is no different than legislation we pass every year that advocates for our school children and our elderly.

Next week should be a busy one for us in the General Assembly as we should receive the budget bills from the Senate. Depending on if the other chamber makes any significant changes to the budget bills to the executive and transportation budgets will determine when we select a conference committee of House and Senate members to potentially iron out an agreement.

As always, I welcome your comments and concerns for the upcoming session. I can be reached through the toll-free message line in Frankfort at 1-800-372-7181. A taped message containing information on legislative committee meeting schedules is available by calling 1-800-633-9650, and information on the status of each bill is available by calling 1-866-840-2835. If you have Internet access, I can be reached at [bart.rowland@lrc.ky.gov](mailto:bart.rowland@lrc.ky.gov), or you may keep track of legislation through the Kentucky Legislature Home Page at [www.lrc.ky.gov](http://www.lrc.ky.gov).

Dustin Harris (DOB unavailable) was to have a pretrial conference but nothing was to be heard on the date with the case to be re docketed upon motion by the Commonwealth. He faces charges of possession of marijuana, buy/possession of drug paraphernalia and first degree possession of controlled substance/opiate (first offense).

Ricky Lynn Morrow (DOB 1968) had a motion sustained for discovery and inspection and bill of particulars with the same discovery tendered in both Monroe and Cumberland counties.

Larry R. Norris (DOB 1992) had a motion sustained for discovery and inspection for bill of particulars with the case to be continued until April 18 with the defendant to be present on March 29 to meet with counsel.

Jessie Parke (DOB 1988) had a motion sustained to sever the trial from a codefendant on charges of murder, arson in the first degree, complicity to commit arson in the first degree, robbery in the first degree and complicity to commit robbery in the first degree. However, the Commonwealth also noted that they would be trying the codefendant first with this case continued generally until that case has been concluded.

Robert Strong (DOB 1962) had his motion for discovery sustained on four counts of trafficking in a controlled substance (second degree, first offense, drug unspecified). He also faces a charge of theft by unlawful taking (all others \$10,000 or more).

Sherri Turner (DOB 1977) had her motion sustained for discovery. She faces charges of manufacturing methamphetamine (first offense) and trafficking in a controlled substance (first degree, first offense, methamphetamine).

Jeffery Walden (DOB unavailable) had his motion sustained for discovery and inspection on charges of wanton endangerment in the first degree and terroristic threatening in the third degree.

Donald D. Young (DOB 1955) was scheduled for a motion hour to revoke his pretrial diversion on a charge of flagrant nonsupport. However, the defendant did not appear and an arrest warrant was issued.

Jonathan Young (DOB unavailable) was to have a motion hour to separate trial on charges of murder, arson in the first degree, complicity to commit arson in the first degree, robbery in the first degree and complicity to commit robbery in the first degree. The case was severed and will be tried separately

and first. Trial was set for May 8.

CONTINUED

Michael G. Bogue, Jr. (DOB 1974) had his case continued on charges of criminal possession of a forged prescription (first offense) and operating a motor vehicle with expired operator’s license. The case was continued until April 18 with the defendant ordered to be back in court on March 29 to meet with counsel.

Steven Bray (DOB 1970) had a pretrial conference on charges of manufacturing methamphetamine (first offense), trafficking in a controlled substance (first degree, first offense, methamphetamine), two counts of controlled substance endangerment to a child (fourth degree), possession of marijuana, unlawful possession of a methamphetamine precursor (first offense) and four counts of persistent felony offender in the first degree. The case was continued as Hon. Resa Gardner will be replacing Ms. Sandy Leitao as conflict counsel and the matter set for April 18.

Lonnie Bryant, Jr. (DOB 1985) had his pretrial conference continued until April 18 on charges of manufacturing methamphetamine (first offense) trafficking in a controlled substance (first degree/first offense/methamphetamine), two counts of fourth degree endangerment to a child (controlled substance) and four counts of persistent felony offender in the second degree.

Lisa Cawthorn (DOB 1960) had her case continued until May 16 on charges of manufacturing methamphetamine, unlawful possession of a methamphetamine precursor (first offense), buy/possession of drug paraphernalia, possession of a controlled substance (first degree, first offense, methamphetamine) and controlled substance endangerment to a child - fourth degree.

Craig Davis (DOB unavailable) had his case continued until April 18 on three counts of selling a controlled substance to a minor (first offense).

Katie N. Dawson (DOB 1983) had her case on a charge of receiving goods, etc. by fraud \$10,000 or more within a six month period continued with Resa Gardner appointed as conflict counsel. The case was continued until May 16.

Teresa G. Muse (DOB 1968) had her case on trafficking in a controlled substance (second degree, first offense, drug unspecified) continued until April 18 but was ordered to be present on March 29 to meet with counsel.

German Serrano (DOB 1974) was to have a pretrial conference on operating a motor vehicle under the influence of alcohol/drugs, failure to wear seat belts, first degree possession of a controlled substance/cocaine and use/possession of drug paraphernalia. However, his case was continued until April 18 and he was to appear on March 29 to meet with counsel.

## Several area authors will take part in Writers Day at Old Mulkey April 14

You'll have a chance to meet area authors of fiction, non-fiction, children's books and poetry at the Kentucky Writers Day Celebration planned at the Old Mulkey Meeting-house State Historic Site on Saturday, April 14.

Everyone is invited to visit with these writers who will be on hand, starting at noon, to talk about their works, which will be available for sale. There is no admission charge.

A special part of the program will be an "Open Mic" session at 3 p.m., when local writers will have a chance to present samples of their work. Anyone can participate at no charge.

Featured author at the April 14th event will be Kentucky Poet Laureate Maureen Morehead of Louisville. A retired teacher, she has published three collections of poetry since 1990 and has collaborated in a collection

of poems and stories about Kentucky women during the Civil War. Her presentation is scheduled at 2 p.m., following presentations by the other participating authors starting at 1 o'clock.

The other Kentucky writers who have committed thus far to participate in the Writers Day Celebration include Joyce Lawhorn and Gary West, both of Bowling Green; Donna Brown Wilkerson Russellville; N. Jo Murley, Burkesville; Connie Goodman, Fountain Run; Carlton Jackson, Morgantown; Glen Conner, Scottsville; Ruth Irene Garrett, Glasgow; Robert A. Prather, Ekron; and Carol Hurt, Tompkinsville; plus two from neighboring Tennessee counties, Darren Shell, Willow Grove, and Dawn S. Scrugg, Lafayette.

For more information about the program, contact Sheila Rush at 270-487-8481 or [sheila.rush@ky.gov](mailto:sheila.rush@ky.gov).

## Businesses, churches, clubs invited to submit material for new Monroe history book

Monroe County businesses, churches and organizations are invited to submit their histories to be included in The History of Monroe County, Ky., Vol. II, to be published later this year.

This new book, which will serve as a permanent record of the county, will be a hard-bound 8½x11 edition containing 200-300 pages, with a black leatherette cover. The book is sponsored by the Monroe County Historical & Genealogical Society and published by Acclaim Press of Missouri.

Since the Historical Society is non-profit, the book must be sold in advance and businesses, organizations, churches, schools, clubs, etc. must pay for their space in the book. (There is no charge for

family histories of up to 500 words.)

Cost of a full page (up to 750 words and two or three photos) is \$250 (discounted rate for churches is \$125). A half-page is \$175 (\$85 for churches) and a quarter-page \$125 (\$75 for churches). A full page at \$250 includes a complimentary copy of the book.

Deadline for reserving space and submitting materials is April 30, 2012. This is also the deadline for submitting families histories to be included in the book.

If you would like more information about submitting material for the new history book, contact Sheila Rush, book chairman for the Historical Society, at 270-487-8481 ([sheila.rush@ky.gov](mailto:sheila.rush@ky.gov)).

## Magician to present magic show locally

Professional magician Lion Fludd will present a show here on Saturday afternoon, April 14, sponsored by the Friends of the William B. Harlan Library.

Fludd, a former Marine, combines both illusion and mime with "magic" in his show, which he says is aimed to entertain, not "trick," his audiences.

The magic show, which starts at 4 p.m. at the Old

High School Auditorium will appeal to all ages.

Tickets are \$5 each (ages 5 and under free when accompanied by an adult) and may be purchased in advance (at the library or at Edmonton State Bank) or at the door.

Videos of the magician, who lives in Middletown and performs regularly in the Louisville area, may be seen at [www.about.me/lionfludd](http://www.about.me/lionfludd) or [lionsmagic.com](http://lionsmagic.com).

## CITY COMMISSION

intersection with 4th street to the cemeteries;

—Approved to replace the computer server at the Water Department at a cost of \$1,500;

—Agreed to donate \$500 to the Economic Development Center/Chamber of Commerce to help purchase new Christmas decorations for the City;

— Discussed agreement concerning ball fields at City Park;

— Agreed to look at raising gas rates for residential customers, noting that commercial and industrial rates had already been raised and that a moderate increase should not be a burden on home owners;

— Approved the Mayor to sign a deed to give the Monroe County Water Department the land to construct a new pumping station at the Industrial site;

— Proffitt also designated April 12 as PRIDE clean-up day from 9 a.m. to 12 p.m. and proclaimed April as Spring Clean-Up Month;

— Went into closed session to discuss pending litigation with no action taken; and

— Approved needed repairs of the roof of the maintenance building by Coffelt Construction.

Mayor Jeff Proffitt also spoke with Commissioners about his concern that he was not notified before a group of City employees went to Indianapolis, Ind. to bring back four HumVees that had been acquired through a government surplus grant. Proffitt opined that the vehicles were acquired behind his back and noted that three City employees had been paid 2.5 hours overtime to go get the vehicles, and that the overtime was against City policy.

Commissioners agreed they understood that the employees were supposed to take the extra time off instead of receiving overtime and Commissioner Ricky Richardson explained to Proffitt that he had attempted to call his cell phone twice to discuss the trip, only to have the calls go straight to voice mail. Richardson and Commissioner Scotty Turner also explained that if they did not pick up the vehicles that day they would be awarded to someone else.

The group discussed that the HumVees would be allocated as one to the Police Department as a drug eradication vehicle, two would be allocated to the City/Recycling plant, and one to be determined at a later date.

## WELLNESS CENTER

one who qualifies financially may apply for the sliding scale fees for the Center and the facility is also a participating site for Silver Sneakers.

Silver Sneakers, Hinkle pointed out, is a supplemental insurance benefit for those who qualify for medicare and have specific supplemental policies (to see if you qualify, go to [www.silversneakers.com](http://www.silversneakers.com)). For anyone enrolled in Silver Sneakers, basic membership is completely free (with all costs paid by the insurance program).

After-school programs for Monroe County youth have been extremely active since the changeover, she added. Monroe County High and Middle School students may use the facility at no cost on Mondays through Thursdays from 2:35 until 5 p.m. MCMS students must sign in with the 21st Century program at their school and be escorted to the Center for safety and liability reasons. (They may remain at the Center until 5 p.m. when the MCMS 21CCLC staff will return to pick them up — or parents may pick them up and sign them out at the Center prior to 5 p.m.) Additional

staff members are on hand to assist with these groups until 5 p.m.

“We are constantly looking at new classes, programs and ways to serve you,” Hinkle said. “We invite anyone to stop by — especially this weekend — and see our facility, ask questions, make suggestions and hopefully join us as members at the Center.

“Find us on Facebook or call us at 487-1184 with any questions,” she added. The Center is open from 5 a.m. to 6 p.m. Friday, 8 a.m. until 3 p.m. on Saturday and 1 p.m. until 5 p.m. on Sunday. *(As usual, children under the age of 12 must be accompanied by an adult. Specific age limits apply to those children wishing to swim. Proper swimming attire is required (no cutoffs). In addition, no children under the age of 12 are allowed in the weight room unless they have been “Fit Kid” certified and undergo orientation and/or under direct supervision of weight room coaches. Fee classes can be visited this weekend as well with the \$5 walk-in fee waived for 8 a.m. Saturday and 4 p.m. Sunday Zumba and 9 a.m. and 10 a.m. Saturday kickboxing.)*

## LAW ENFORCEMENT REPORTS

The Monroe County Sheriff's Office is investigating several cases of burglary and theft that have occurred in the area recently.

A pair of rental storage facilities were broken into in Gamaliel on Thursday, March 15. The first held contents from Joe Murphy. Stolen items included an oak bedroom suite, a long oak table and an electric meat slicer. The other unit held contents belonging to Kenneth Bentley and burglars took an oak curio cabinet and two oak quilt dressers.

On Sunday, March 18, someone stole two 800 pound crossbred feeder calves from the Jerry Howard farm on Hamilton School Road.

On Tuesday, March 20, two Polaris Razors, one a 2007 green in color, the other a 2008 red in color, were stolen from the Vernon Road farm of Joe V. Stephens.

If you have any information pertaining to any of these occurrences, please contact the MCSO at 270-487-6622, or the anonymous tip line at 270-487-0601.

## PRIDE funds for Spring Cleanup in April

MONROE COUNTY, TOMPKINSVILLE, GAMALIEL AND FOUNTAIN RUN WILL SHARE \$5,250

PRIDE will reimburse Monroe County, Tompkinsville, Gamaliel and Fountain Run up to \$5,250 for leading the local PRIDE Spring Cleanup Month in April.

Monroe County is eligible for \$4,500. Tompkinsville, Gamaliel and Fountain Run are eligible for \$250 each. The funding levels are based on the number of road miles in the county and cities.

The PRIDE funds will offset costs to the county and cities for removing litter and dumps and for offering free trash drop-off events. The funds also may help communities clean up debris from recent storms.

PRIDE also will give the county and cities T-shirts and cleanup supplies to distribute to Spring Cleanup volunteers.

"Volunteers have such a good time cleaning their community together, and they are really successful at picking up litter," said Tammie Wilson of PRIDE, the nonprofit organization that organizes the annual Spring Cleanup campaign in 38 counties of southern and eastern Kentucky.

"Disposing of the trash volunteers collect costs money, and that's where the Spring Cleanup Funds come in," Wilson continued. "The funds also help local governments pay contractors to remove dumps that are too big or dangerous for volunteers."

"This is the 15th anniversary of PRIDE, and we can celebrate a visible difference in our region," Wilson added. "PRIDE volunteers have picked up 699,442 bags

of trash since 1997, and 2,869 illegal dumps have been eliminated from our landscape."

"It all starts with one cleanup and one volunteer — you," Wilson said. "Please answer the call for volunteers as your local leaders announce Spring Cleanup events. Stay tuned to your local media and [kypride.org](http://kypride.org)."

During PRIDE Spring Cleanup Month in April, PRIDE works with communities to create a clean, healthy environment just in time for new recreation and tourism seasons. Local governments organize Spring Cleanup events, and PRIDE provides cleanup supplies, T-shirts and funding assistance.

All local governments in PRIDE's 38-county service area are eligible for Spring Cleanup funds, thanks to a grant from the National Oceanic and Atmospheric Administration. To qualify for its available funds, each local government must attend PRIDE training and comply with funding guidelines.

The region-wide Spring Cleanup is also made possible by these sponsors: Waste Connections of Kentucky (Gold Sponsor), Outdoor Venture Corporation (Silver Sponsor), New Horizon Graphics (Bronze Sponsor) and Lightyear Network Solutions (Bronze Sponsor).

To volunteer to pick up litter during PRIDE Spring Cleanup Month, please call your local PRIDE Coordinator. PRIDE Coordinators' names and phone numbers are available by calling PRIDE, toll free, at 888-577-4339 or by visiting [www.kypride.org/service-area](http://www.kypride.org/service-area).

MONROE COUNTY NATIVE HONORED FOR SALES ACHIEVEMENT

Billy M. Stinson, a Scottsville representative of Modern Woodmen of America, has been named to Modern Woodmen's President's Club. This distinction recognizes Stinson's high achievement in life insurance sales among the organization's representatives nationwide.

Livingston County teen takes life to end bullying

Just one week after Kentucky House Republicans struck down a stricter and more comprehensive anti-bullying law, a 15-year old Livingston County teenager has taken her own life to end the bullying she endured, according to a report from WPSD-TV. Concerned parents planned a picket to call for stricter anti-bullying policies

in front of Livingston County High School before the start of classes on Wednesday, March 28. "This is exactly what we feared," shared Chris Hartman, a steering committee member of the Statewide Fairness Coalition, a group that advocated for the updated law. "Apparently two Kentucky teen suicides were not enough to awaken state lawmakers to the need to solve this epidemic problem. Now we are have lost three innocent Kentucky children to suicide from bullying in just five months. How many children must die before lawmakers quit playing partisan politics and strengthen this law?"

Last Tuesday, grieving parents and friends of recent Kentucky suicide victims Sam Denham, a 13-year old eighth-grader from a northern Kentucky middle school, and Miranda Campbell, a 14-year old high school freshman from Hopkinsville, testified before the House Education Committee for passage of Rep. Mary Lou Marzian's (D-Louisville) House Bill 336. Despite their pleas, House Republicans--most of whom voted for a similar measure in 2011--blocked passage of the law on grounds it would place "gay rights in

our schools," as stated by Rep. Ben Waide (R-Madisonville). The vote was 13 aye; 10 nay; and three abstentions. Three members were absent from the committee, which requires 15 votes for passage.

House Bill 336 included protections based upon a student's actual or perceived race; color; religion; ancestry or ethnicity; sexual orien-

tation; physical, mental, emotional, or learning disability; gender; gender identity or expression; or other distinguishing characteristic, as recommended by U.S. Education Secretary Arne Duncan. The measure also affirmed a

student's right to religious freedom of speech regarding difference in sexual orientation or gender identity, as proposed by Republican amendments to the 2011 version of the legislation, by emphasizing a religious freedom statute currently codified in the education section of the Kentucky Revised Statutes (KRS 158.184).

The proposed legislation additionally mandated professional development for all school district employees relating to bullying prevention, included strict incident reporting and public notice requirements as well as explicit protection for students while on school-sponsored transportation and at school-sponsored events, and a comprehensive definition of "harassment, intimidation, bullying, or cyberbullying."

According to a recent survey by The Schapiro Group, 87% of Kentuckians support stronger anti-bullying protections.

THE PALACE OBSERVES SOCIAL SERVICE MONTH

Social Service Director, Annette Gilpatrick, will be honored during Social Service Month by Palace Care and Rehab of Red Boiling Springs. March is designated as the month to especially recognize those who work in various positions to improve the quality of life of clients, patients, and families.

"From guiding residents and families through the adjustment necessary at this time in their lives to conducting one-on-one interviews with patients to formulate the best care plan, she is busy every moment making a difference in the lives of others," said Rita Crabtree, Administrator.

Gilpatrick, who is also an LPN, began her career at The Palace in 1993. She served as discharge coordinator at two hospitals prior to accepting her current position. "Discharge planning is still a big part of my job here at The Palace," explains Gilpatrick.

"We begin a discharge plan upon admission with a focus on the best possible outcome. We are excited to have introduced 'Journey Home,' a new program here at The Palace," said Gilpatrick. "Journey Home is designed to help new patients and their families prepare safely for the next phase of their recovery. It is a true celebration when we are able to help a patient return to their own home and family."

"Annette is a vital part of the overall operation of The Palace," said Crabtree. "We thank her for her years of service and commitment to seeing that each patient is safe, comfortable, and provided with the services needed to help them achieve his or her highest level of independence."

For information about Journey Home or social services in skilled nursing and rehab facilities, please contact Mary Braswell, 615-699-2238.

THE PALACE TO HOST COMMUNITY HEALTH CARE

The Palace Care and Rehab in Red Boiling Springs will host the 9th Annual Community Health Care on Friday, March 30, from 8 a.m. to 10 a.m.

"Larger communities have many events throughout the year for the surrounding population," explained Rita Crabtree, Administrator. "We want to make sure that those who live in the rural areas have the opportunity to learn more and take advantage of services that are made convenient through programs such as our Health Fair. Through the generosity of Macon County General Hospital participants will be able to have important lab work done at a nominal fee again this year." Each test (SMAC, TSH, PSA, and CA) will be \$25 each. Participants are advised not to eat for 8 hours prior to

the testing.)

Among the organizations that will be represented will be Macon County Hospital, Cumberland River Hospital, Senior Care, UT Extension Office, Valley Ridge Mental Health, Comprehensive Rehab, Alzheimer's Association, Vision 2020, Suncrest Home Health, Highpoint Hospice, Odyssey Hospice, Air Evac, U.S. Cellular, Timothy Takacs Elder Care Programs, Friendship Home Health, Citizens' Bank, Sumner Regional Medical Center, Upper Cumberland Development District, Area Agency on Aging, Caris Home Health, Caris Home Health and Hospice, Careall Home Health, Tennessee Mobility.

For additional information, please contact Glenda Browning, Director of Admissions at 615-655-3978.

## UK COOPERATIVE EXTENSION SERVICE

University of Kentucky – College of Agriculture

By Kevin Lyons, County Extension Agent Monroe County

### FARMERS' MARKET MEETINGS TO DISCUSS HOME VEGETABLE GARDENING AND SENIORS NUTRITION PROGRAM

The Monroe County Farmers' Market had a terrific 2011 season. With a new facility and a new location behind the Tompkinsville WalMart, there was a wonderful increase in the number of vendors and buyers participating in the market. There also has been an increase in the requests for information on vegetable production.

To help meet this need, you are invited to a Home Vegetable Gardening program on Thursday, April 5, at the Monroe County Extension office beginning at 6:30 p.m. Ms. Kristin Goodin, Barren County Horticulture Agent, will partner with Kevin Lyons to present a program on basic home vegetable production. You do not have to plan on selling vegetables at the farmers' market to attend. This program is designed for anyone who would like to learn more about growing vegetables, either for their personal use or to sell to others.

The Monroe County Farmers' Market will be

participating in the Seniors Nutrition Program again this year. This program provides low-income senior citizens with vouchers that they can redeem at the local market for fresh fruits and vegetables. The program is funded through the USDA and is administered by the Kentucky Dept. of Agriculture.

If you plan on selling produce at the local farmers' market this year and would like to accept the vouchers, there is an upcoming training that you need to attend. Kevin Lyons will be conducting this training session on Thursday, April 5, at 7:30 p.m. at the Extension office. This is immediately after the home vegetable gardening program. If you want to be a vendor and accept the Senior Nutrition vouchers at the farmers' market in 2012, you or your representative must attend this training and enroll as a certified vendor. If you have any questions you may contact Kevin Lyons at [klyons@uky.edu](mailto:klyons@uky.edu) or 487-5504.

#### QUILT CLUB

The Quilt Club met March 17 at 9 a.m. at the Extension Office. Those attending included F.C.S. Agent Lara Savage, Linda Spear, Shirley Johnson, Debra Robertson, Estelle Vibbert, Sue Walsh, Carol Sharp, Shirley Wilson, June Gerald, and Kathleen Evans. Attendees omitted last month were Stephanie Hunter and Francis Stoops. The class included instruction on how to miter a corner on a quilt binding and how to piece a crazy quilt out of neckties and double knit material pieced on paper.

Shirley J. showed her snowman wall hanging. Sue W. made a lap log cabin quilt. Carol pieced a sampler quilt with precut pieces.

The next meeting will be held Saturday, April 21, at 9 a.m. at the Extension Office. For more information call 487-5504 or 427-4438.

#### COMMUNITY HOMEMAKERS

Loretta Lyons hosted the Community Homemaker Club meeting at her home on March 13 at 6:30 p.m. Ellen Headrick called the meeting to order. Phyllis Short gave the devotion entitled "How Would it Be?". March was International Month in all the homemaker clubs and our club had the country of China. Ellen gave the blessing before a Chinese meal prepared by Loretta, which included Chinese rice, noodles, and dessert. We tried eating with chop sticks. Each member read their fortune cookie provided by Loretta and Phyllis. Mary Rich served several breads made with herbs and spices, dip and salsa samples. The lesson was on cooking with herbs and spices.

Aundrette Smith gave the lesson on China. She had visited there in 1979 and 1995. She talked about the culture, the Great Wall, and about the changes in China over the years. Linda dressed in Chinese attire, which had belonged to the late Dr. Kela Fee. Janice wore a kimono. We had several Chinese fans. Loretta gave each member a Chinese wall hanging. Some members celebrated St. Patrick's Day with the wearing of the green.

Business discussed included the Club furnishing some eggs for the Eggceptional Egg Hunt, donating money for Gabbi St. Baldrick's fund, making dolls for a mission project, and donating money to the summer library

reading program. The club will donate money to Project Prom. Mary Rich will host the next meeting on Tuesday, April 10, at 6:30 p.m. The lesson will be "How to Cook for One or Two."

Those attending, other than those already mentioned, included Diana Bowles, Dean Thomas, Olivia and Tonya Gentry, Hilda Bledsoe, Jennifer and Sue Miller and Sandy Strode. For more information call 487-5504. Visitors are welcome.

#### ROCKBRIDGE HOMEMAKERS

The Rockbridge Homemaker club met Feb. 20 at the Senior Citizen Center with President Debbie Copas presiding and Dean Chapman as hostess. Members answered roll call by naming the best Valentine gift they had received. President Debbie Copas made announcements of upcoming events for club members. The club made plans for their upcoming international night. Debbie gave instructions for making a heart wreath, which she completed at a recent workshop. As a Valentine project, members distributed Valentine cards to the residents at the nursing home. Ways of recruiting new members was discussed. Frances Stoops presented the lesson Mind/Body Connection. Members present other than those listed were Vonda Dunagan, Marcia Rasner, Martha Wilson, Laura Bowe and Pat Humes. Visitors present were Judy Wiley, Connie McMillian, and Sue Walsh. Recreation was provided with Pat Humes winning the door prize. The next meeting will be March 19 at the Senior Citizen Center with a potluck meal. Frances Stoops, Reporter

International Night was held by the Rockbridge Homemaker Club at their regular monthly meeting on March 19 at the Senior Citizen Center in Tompkinsville. After enjoying an Italian meal prepared by club members, President Debbie Copas called the meeting to order. She also welcomed our visitor, Judy Craig. During the business session Marcia Rasner shared pictures and talked about her trip to Italy. Souvenirs from Italy were also on display. President Copas made announcements of upcoming events in the community. Club members voted to have a yard sale the first weekend in June as our fund raising

event. We also voted to participate in Cassady Wilson's doll project and to donate to the Summer Reading Program at the Library. Frances Stoops presented the lesson "Herbalicious" and shared information on growing herbs as well as cooking with herbs. Other members present were Dean Chapman, Pat Humes, Octavia and Chandra Copas, Hannah Cherry and Vonda Dunagan. Next meeting will be April 16.

#### OLD ROCKY HILL/BUGTUSSLE HOMEMAKERS

The Old Rocky Hill/Bugtussle Homemakers met on Tuesday, March 13, with Shanda Holder as hostess. President Glenda Holder called the meeting to order. The club made a donation to the Rock and Roll Jamboree. In addition, it was decided to make a donation to the New Liberty tornado relief fund. Nancy Holder gave the lesson. Members enjoyed a cup of herbal tea. Glenda Holder gave a special interest lesson encouraging all members to recycle not only aluminum cans but also tin cans, newspapers, glass, and plastics and take them to recycling bins located in town.

The club studied Ireland for the international night and ate homemade potato soup. The club cheered on WKU for recreation.

The next meeting will be held on Monday, April 16, at 6:30 p.m. with Joyce Ann Hale as hostess.

Those present were Geraldine Eubank, Joyce Ann Hale, Judy Hatcher, Glenda Holder, Nancy Holder, Shanda Holder, and Dovie Marsh. Jon Mark Holder was our special guest.

— Nancy Holder, reporter

#### FLIPPIN HOMEMAKERS

The Flippin Homemakers met Thursday, March 8, at 3:30 p.m. at Compton's Restaurant in Gamaliel. President Jo Ann Hughes called the meeting to order. Roll

call was taken with members naming their favorite spring shrub or tree. The favorites seemed to be the red bud and dogwood trees. The thought of the month was given, and Doris Agers gave the inspiration entitled "How Would it Be?". Secretary/Treasurer Joyce Heinzlmeir read the minutes and gave the financial report. Coins for Change were collected. The club sent baked items to the Rock 'n Roll Jamboree. Two members reported that they attended the Kentucky Saves presentation at the Extension Office on Feb. 23. Joyce is a tax preparation volunteer again this year.

Jo Ann Hughes gave a report of the March 5 council meeting. The club will participate in the partnership of homemakers and 4-H clubs for the Easter egg hunt for special needs children. The club is also collecting coupons, expired and current, for the "Coupons for Military Families," a project of four middle school 4-Hers.

Banna Burnett gave the lesson entitled "Herbalicious." She gave each member an herb or spice and encouraged each to grow herbs for their use in the kitchen. Doris Agers was the game and door prize winner. Doris will attend the March 22 leader training. Jo Ann will be hostess at the April 12 meeting, which will be at 11 a.m. at Compton's Restaurant in Gamaliel.

Debbie and Mariah Burnett gave an interesting power point presentation of Canada, our country for international emphasis. Joyce Heinzlmeir, whose husband Bill was born in Canada, also spoke and showed photographs and information about the country. She also brought a Canadian flag. Debbie and Mariah shared Canadian maple-leaf cookies with those present. They entertained us with an educational game of Canadian trivia bingo. Members won prizes as they recalled correct answers about this very interesting country.

All members of the club were present for the meeting.

I was sitting here in Heaven  
And having a wonderful day.  
I started thinking about you  
And all the things I didn't get a chance to say.  
I don't want you to worry about me  
And please don't shed any more tears,  
Because I will wait for you in Heaven,  
If it takes a hundred years.  
Everything I had on earth  
I have in Heaven too!  
My first day here  
My body became brand new.  
It is really pretty here  
And I love my new home,  
Although your heart is broken  
Because my body is gone.  
My love will always be there  
As you go along the way,  
Just take a peek inside your heart  
There is where I'll stay.  
Know that I loved my family  
And all my friends too.  
My thoughts will be with each of you  
Your whole life through.

The Family of Adam Head would like to thank all of the wonderful people who helped our family during the loss of Adam. The beautiful flowers, mementoes, and all of the food that was brought or sent meant more than you can ever know. There are so many people that contributed money to Adam's funeral cost that it would be almost impossible to thank everyone individually, so please accept our heartfelt thank you for the huge amount that was paid on his funeral bill.

A special thank you to Brother Bill Threet for the comforting words at the funeral but mostly for coming to the hospital and helping us through that terrible time. To the singers we would like to thank you for the beautiful songs and the kind words of encouragement. There are no words to express our gratitude to Upton Funeral Home for all of the help and time you gave to us during our loss.

You never know how many people care for someone until something like this happens. To all of the people who came to the funeral home we can never thank you enough. To Adam's classmates, teachers, and friends, he would have loved knowing that you cared so much. Thank you from the bottom our hearts for all you have done.

# Florida man injured in motorcycle wreck this past week

Monroe County Deputy Charles Smith is investigating a single motorcycle accident that resulted in injuries to a Florida man. According to Smith, Glen F. Cornwell, 64, Umatilla, Fla., was operating a 2003 Honda VT750 on Center Point Road near the intersection with Meshack Creek Road (as seen above) when he entered a curve and lost control of the bike. According to the report, Cornwell and the bike over-turned and travelled approximately 120 feet before coming to a stop in a median area. Cornwell was treated at the scene by personnel from the Monroe County Ambulance Service before being flown by Air Evac (seen at top right) to Vanderbilt Hospital. Smith noted that alcohol and speed are thought to be contributing factors in the crash. Smith was assisted at the scene by Monroe County EMS, Monroe County Fire and Rescue and Monroe County Constable Dick Gordon.

# Monroe County Area Technology Center receives top marks in state evaluations

The Monroe County Area Technology Center recently underwent their program assessment with officials from the Education and Workforce Development Cabinet and Office of Career and Technical Education.

ATC Principal Lee Ann Wall recently released the results of the program review, which saw the Monroe County program at or near the top marking in almost every area.

These reviews began as a result of a 2000 legislative initiative where officials from OCTE work cooperatively with the Kentucky Department of Education (KDE) on all aspects of designing and implementing the program assessment process.

OCTE identified 93 schools/centers with industrial education programs—53 OCTE and 40 KDE with 17 standards measured. These reviews are designed to give direction for program improvement.

The reviews are designed to increase student achievement, improve programs and their consistency, enhancing student transition, provide technical program support and align with accreditation.

Schools first do a self-assessment, then an assessment team including instructors from University level, technical schools and state officials, come to the school to assess on the 17 criterion. From that point, they gather their findings and present recommendations for improvement.

Graded on a scale of 0-4 with 4 being the highest, the Monroe ATC scored 3.91 out of 4.0. Throughout the evaluation, the local school scored perfect marks in curriculum, lesson/unit plans, student achievement, student recognition, postsecondary links, program area safety, student safety, public relations, family and community contributions, advisory committee, industry accreditation and technology in instruction.

Students at the Monroe County Area Technology Center attend classes on a daily basis where they can earn industry certifications and trade skills needed for successful post-secondary transition to technical schools, colleges or the workforce.

## Monroe County Middle School selected as “GEAR UP” school

Monroe County Middle School was recently selected as one of 29 schools to received the “GEAR UP” grant.

GEAR UP Kentucky announced these schools have been selected to participate in a new \$26.9 million college-readiness grant award.

GEAR UP, Gaining Early Awareness and Readiness for Undergraduate Programs, anticipates serving 10,000 Kentucky students from low-income schools over the life of the six-year federal grant. The program serves entire cohorts of students and follows them

throughout high school.

Hundreds of students from Holmes Middle School, Newport Middle School and Bellevue High School attended the rally announcing the awards and pledged to graduate high school ready for college-level work.

“I am so excited by this event and encouraged by the hopes and dreams that I perceive on the face of each student,” said Yvonne Lovell, executive director.

“Today, I am reminded of the enormous potential for our next generation of leaders,

doctors, teachers, lawyers and engineers.

“This summer I traveled to every school represented in this project today and in every case the educators I met with were committed to ensuring that their students successfully graduate from high school and excel in postsecondary education. Today, I’ve invited my partners and collaborators to unite with GEAR UP Kentucky and form a community of advocates whose only purpose is ‘every student prepared for college success.’”

## Monroe County High School chosen to host statewide webcast

The Monroe County School District and Monroe County High School was chosen to host a monthly webcast held by the Technology Leadership Team this past week.

Members of the statewide team visited MCHS and broadcast statewide via the internet with various topics covered throughout the event.

Technology leaders for Monroe County Veronica Reecer and Dean Smith (not shown) along with Assistant Superintendent Amy Thompson (above left) and

Superintendent Lewis Carter went over the highlights of the technology access and use of technology in Monroe County. The different methods of integrating technology into the daily classroom were also highlighted during the webcast.

The state technology team then discussed the recent KySTE conference, KETS master plan and data center move. They also broadcast information about the McAfee upgrade statewide.

An update on Infinite Campus was given by

the team as well as the update on the Continuous Instructional Improvement Technology System (CIITS) implementations for teachers throughout the state.

The group also highlighted the upcoming changes in the School Community Nutrition system and updated those watching on the work with the Next Generation of KEN and MUNIS pilots.

Officials from the state commented on and complimented the technology implementation and usage in Monroe County Schools.

## Campbellsville University to begin new RN to BSN program for School of Nursing

Campbellsville University will be starting a program for registered nurses to earn their bachelor's of science degree in nursing beginning in May. The mission of the RN to BSN completion program is to offer a higher level of nursing education through an innovative and highly accessible curriculum, according to Beverly Rowland, associate professor of nursing. "The program is tailored to the working adult and classes will be offered online in asynchronous classes, meaning students will be able to attend on their own schedule without time constraints." The completion program allows the registered nurse to continue with work, family and community commitments while pursuing that dream of professional achievement, she said. "I am very pleased that Campbellsville University can finally provide this opportunity for community nurses who are eager to advance their education in nursing," she said. "In the past, nurses have had to travel some distance from

surrounding communities to pursue higher education, taking time away from families and work. Now they can study in their own community and focus on everyday living while fulfilling that calling for lifelong learning and professional expertise." Dr. Bob Wade, dean of the School of Nursing, said, "Earning an associate's in nursing and starting a career in nursing, then returning to school to earn a BSN is a sensible and practical way for RNs to secure their future and upward mobility in the profession." Nursing alumni of Campbellsville University, along with those who have an RN degree from another school or live in another state, are welcome to apply to the program. The admissions process to the program is as follows: application to the university, application to the School of Nursing and transcripts and licensure information sent to CU followed by a letter of acceptance. Students must verify work experience as a registered

nurse, and there is flexibility entering the program at different times of the year. Core nursing courses will be offered throughout the year and the student may enter at any point in time. If most or all general education requirements are met, many can complete the program in approximately 15 to 18 months. This new RN to BSN completion program serves

the community and the region through promoting lifelong learning and contributing to the profession of nursing and the health of society, Rowland said. For more information about the program, contact Beverly Rowland at (270) 789-5155 or by email at [bdrowland@campbellsville.edu](mailto:bdrowland@campbellsville.edu). — by Natasha Janes, student news writer

#### MONROE ARTS COUNCIL FINE ARTS SCHOLARSHIP

The Monroe Arts Council sponsors a Fine Arts Scholarship to help further the education, preferably in the fine arts field, of a senior who has participated in the Arts. Requirements include: 3.0 or better GPA, at least one recommendation from a teacher, a sample of the student's work (such as writing, art work or a tape/video of musical or dramatic performance), and a brief essay on how involvement in the arts has impacted the student's life. Applications are available in the Guidance office. Deadline is April 23.

## Garvey to represent WKU at National HOSA competition

Matthew Garvey of Tompkinsville, along with several other Western Kentucky University students, recently won honors at the Kentucky Health Occupations Students of America competition and the right to compete nationally. The team of Jason Godsey, Falls of Rough; Laura Hinton, Hardinsburg, and Adrienne Beck, Louisville, finished first in Creative Problem Solving. Chiraag Kapadia, Madisonville, finished first in

Biotechnology and Matthew Garvey, Tompkinsville, won in Nursing Assisting. The winners in the Louisville competition are eligible to compete at the National HOSA Conference in June in Orlando. The state HOSA conference provides students the opportunity to compete in one of 57 events, attend educational workshops and network. The South Central Area Health Education Center sponsors the WKU/AHEC HOSA.

### Softball Coach Season Preview

— Katesa Collins, Coach

Looking forward into this year’s season, what do you consider your team’s strength and weakness?

Our weaknesses lie within our increasing injury list, so we have girls stepping up where they normally would not be, putting somewhat of a strain on defense to begin the season. However, we have a strong dedication and our girls are sacrificing much to ensure the team succeeds. Our willingness to put team first, player second is our biggest asset.

What goals have you (or the team) set for this season?

We have set personal goals for each player to meet an expectation they have never achieved in a game. As a team, we want to be in the finals of the All ‘A’ Regional tournament.

Do you have team captains? If so, who are they?

No

Do you have any seniors? If so, who are they and how do you expect them to help lead their final season?

Kayla Tallent is our lone senior. She will start the season pitching and her dedication to the team and will go a long way in helping the younger girls put the team first.

What message would you like to send to all children wishing to become athletes?

Work hard. The fundamentals are what make good players great.

FINAL DEADLINE NEARS FOR NEW MONROE COUNTY HISTORY BOOK

All Monroe County residents and people with ties to the county are invited to submit their family histories to be included in “The History of Monroe County, Kentucky, Volume II.” Final deadline to submit material is April 30, 2012.

Family histories should be short biographies of up to 500 words and can also include a family photograph (optional). There is no cost for the family biography and photo (there is a charge for additional words/photos).

However, a family may submit additional biographies from different generations or branches of the family (for example, in addition to the biography of your own family, another biography and photo of your mother’s family, and still another of your father’s family, etc. may be submitted at no charge).

You do not have to buy a book for your information to be included.

Material submitted for the book should be mailed to The History of Monroe County, Kentucky, Volume II, 38 Old Mulkey Park Rd., Tompkinsville, KY 42167 or dropped off at the Old Mulkey Meetinghouse, at the above address.

Other photos of historical interest also may be submitted for use as space permits in the historical section of the book.

This commemorative book, sponsored by the Monroe County Historical & Genealogical Society, will include a general history of the county and its communities, businesses, organizations and churches and will also focus on people and families from this area. The new publication will be a hardbound, 8½x11-inch book, published in collaboration with Acclaim Press of Morley, Mo.

For more details, call Sheila Rush, the Society’s book chairperson, at 270-487-8481; email [sheila.rush@ky.gov](mailto:sheila.rush@ky.gov); or write to the Old Mulkey address listed above.

This historic book will be available on a pre-sale basis only! Copies of the book may be ordered for \$54.95 from the Monroe County Historical & Genealogical Society at the address above. Send check or money order to the above address by April 30 to reserve your copy of this limited edition printing (add \$6 if book must be mailed). There is no guarantee that copies of the book will be available for purchase after the April 30th deadline.

ALCOHOLICS ANONYMOUS HOLDS TWO MEETINGS

Two Alcoholics Anonymous meetings are held locally each Wednesday evening.  
A meeting is held at 6 p.m. at the Monroe County Sportsman’s Club, on Armory Road, in Tompkinsville, with another meeting scheduled at 7:30 p.m. at the William B. Harlan Memorial Library.  
Anyone with an alcohol problem is urged to attend.

140 IN MEMORY OF

IN MEMORY OF ORVILLE RILEY 10/17/21 – 3/30/11

A year ago today we said our last goodbye. It was so very hard as tears filled up our eyes on the night you took your last breath at seven. Jason was smiling and waiting for you in heaven.

You always had a very special place in my heart a daddy’s love that could never grow apart until the day that we can all join together remember daddy I will always love you forever.

145 CARD OF THANKS

JONATHAN WITTY WEIGHT LIFTING

Greg and I would like to thank each and everyone of you that helped with the Jonathon Witty Lift-a-Thon.

To John Petett and his family, our families, coaches, and everyone else. Thanks to the schools that participated and the coaches for bringing these young men. Also, Monroe County won 1st place with four schools participating.

Thanks for all that donated food and drinks, everyone that bought t-shirts, everyone that worked the concession stand, the door and sold t-shirts for anyone else who helped in any way, those helping judge and keep score. Another great year, good turn out!

Thanks a lot.  
Greg and June Witty

AMENDING THE FLOOD DAMAGE PREVENTION ORDINANCE FOR MONROE COUNTY

NOW THEREFORE, BE IT ORDAINED BY THE FISCAL COURT OF THE MONROE COUNTY, AS FOLLOWS:

ARTICLE 3

SECTION B. BASIS FOR ESTABLISHING THE AREAS OF SPECIAL FLOOD HAZARD,

The areas of special flood hazard identified by the Federal Emergency Management Agency (FEMA) in the Flood Insurance Study (FIS) for Monroe County, dated July 17, 2012, with the accompanying Flood Insurance Rate Maps (FIRMS) and other supporting data are adopted by reference and declared to be part of these regulations. This FIS and attendant mapping is the minimum area of applicability of this ordinance and may be supplemented by studies for other areas which allow implementation of this ordinance and which are recommended to the Fiscal County by the Floodplain Administrator and are enacted by the Fiscal Court pursuant to statutes governing land use management regulations. The FIS and/or FIRM are permanent records of Monroe County and are on file and available for review by the public during regular business hours at the Courthouse.

This ordinance amendment was adopted at a public meeting of the Fiscal Court of Monroe County on Monroe.

# REAL ESTATE

## 119.51 ACRE FARM • WOOD FRAME HOUSE 2 BARN • TIMBER

# AUCTION

SATURDAY,  
MARCH 31,  
2012  
10:00 A.M.

LOCATION: From Tompkinsville, take Hwy 100 east 7.5 miles, turn left at the auction sign and go to property. Signs posted.

**DESCRIPTION OF REAL ESTATE:** This farm consists of 119.51 acres with approximately 20 acres in grassland and the remainder in timberland. This property is improved with a wood frame house, a tobacco barn, and a stock barn. This farm is watered by a branch and springs with county water available on Hwy. 100. A copy of the new survey is available at Proffitt Real Estate Agency.

**DESCRIPTION OF TIMBER:** The timber on this farm is heavy in red oak, white oak, poplar, maple, walnut and other species. The type and size of timber located on this farm is very seldom seen anymore on farms around this area. The purchaser of this timber will have 18 months to cut and remove this timber provided the farm and timber sells separate. More terms and conditions will be given on the day of the sale concerning the timber. For more information and a copy of a new survey, contact the selling agent.

**TERMS OF SALE:** Real Estate - A 15% non-refundable down payment will be required on the day of the sale with the balance due within 30 days. Possession will be given with deed. Timber - Timber will be paid for on the day of the sale, with full possession given on the day of the sale. **Note:** The farm will be sold and then the timber will be sold separate with the option to combine the farm and timber with the best sale adopted.

TAXES: The 2012 property taxes will be prorated.

STANLEY and SALLY BROWN ESTATE —  
OWNERS

### AGENT'S NOTE:

Mr. Timber Buyer, this is a farm that you should take a look at for this is a large boundary with some of the best and biggest timber you will find anywhere. It is a boundary of timber that is worthy of your utmost consideration. An added feature is that this farm is a hunters paradise with deer, turkey, and other wildlife in great abundance. If you are in the market for a farm that is just a few minutes drive from town then this is the one you have been looking for. Mark your calendars and come out and be with us on Saturday, March 31 at 10:00 a.m. for a good time at our auction.

Any announcements made day of sale takes precedence over all previous advertisements or comments. All information contained in our advertisements has been obtained from sources deemed to be reliable. Sellers and/or Proffitt Real Estate Agency, Inc. and their employees cannot and do not guarantee it's accuracy. This farm will sell "AS IS, WHERE IS" both surface and subsurface. Proffitt Real Estate Agency, Inc. and their employees and sellers are not responsible for any accidents. **LEAD BASED PAINT:** This house was built before 1978 and lead based paint could be present. Make your inspections prior to sale date and be prepared to sign a lead based paint waiver prior to signing a sales contract on Saturday, March 31, 2012.
